- Summer Sewing Camps for Girls ages 8 to 17 – Register online by going to www.aerybeth.com and clicking REGISTER in the upper right corner.
Be sure to read over the [general info about classes and camps](#) at bottom of Summer Camps page.
- Summer Fun Sewing Camps include supplies and snacks (except for one t-shirt that you need to bring in your child's size – no pockets – any color)
- Bring your sewing machine if you have one - leave it at camp so you don't have to set up each day. It's best to learn on your own machine if you have one.
- Campers that don't have machines can rent one of mine for \$10 additional fee for the entire 4 days.
- We have a little break 1/2 through the morning for a little snack.
If your child is on a special diet, please bring their special snack each day.
We will have lemonade/water, chips, goldfish, grapes and lots more.
- This year! Camps have special last day events - be sure to take note!
- ***If your child is brand new to sewing, I encourage you to sign up for a beginner session or a Mom/Me session before camp***
This will add a bit more confidence to the first day and you get to hang out and meet me!
- IF you cannot sign up for camp, I offer some private or Mom & me classes as well as ONGOING classes that start back in the fall!
- Payment due when registering. Full Refunds available 4 weeks before camp, ½ refund 2 weeks before camp. I purchase supplies and prep many weeks ahead of time based upon child's choice of fabrics.
