

Monster Felties

With various patterns and fabrics, the possibilities and looks for these monsters are endless!

Supply List

- **Soft Fabric Felt in various colors to match what kind of monster you want!**
- **Matching all purpose thread (to match felt as you sew around them.**
- **Heat N Bond (LITE/SEWABLE) for little appliques but we may be hand sewing most of the eyes and mouths.**
- **Fabric glue for home use – I have some for class**
- **Hand sewing Needles**
- **Stuffing (polyfil)**
- **Flat back - black eyes**

Parents, if you do not have stuffing or fabric glue or eyes, I have these for this project. Just add \$5 to tuition, send through venmo/cashapp or bring \$5 to class.

Let me know ahead of time so I will have these ready for them. Thanks!
