

Two tone pillowcase project

Supplies

1. $\frac{1}{2}$ yard of cotton fabric for the contrast band (solid works great with this)
2. 1 yard fabric for the pillowcase
(there will be a little extra to use on a 2nd matching project I have planned 😊)
3. Heat N Bond (adhesive for the applique – comes in purple (NOT RED package) tube package or small folded package. You will need this for other projects.
an example
<https://www.walmart.com/ip/HeatnBond-Lite-Iron-On-Adhesive-Value-Pack-17-Inches-x-5-25-Yards/17338066?from=/search>
4. ALL Purpose Thread to match
5. Ric Rac (optional) That is the white trim on the 2nd photo

**They will have homework to make another one – for themselves or a friend/family.
So, if they would like two of the same kind get double the fabric that you will need.**
